

WEBSITE PRIVACY AND COOKIE NOTICE

This privacy notice is provided to users and visitors of the website www.cellularlinegroup.com in accordance with Article 13 EU Reg. 2016/679 ("GDPR") and according to the guidelines of the Italian Data Protection Authority (Prov. June 10, 2021). This notice fully replaces previously published notices.

We inform you that this website complies with the GDPR, which protects individuals with regard to the processing of personal data. Your data will therefore be processed in accordance with the principles of fairness, lawfulness and transparency, protecting your confidentiality and your rights.

DATA CONTROLLER

The Data Controller that defines the purposes and means for the processing of your data, collected during the use of the site is:

CELLULARLINE S.P.A. with registered office in Reggio Emilia, via G. Lambrakis 1/A, VAT no. 09800730963 and Reggio Emilia Companies Register No. RE315329; Tel. 0522 334002, owner of the website.

The Controller informs that it has designated, pursuant to Art. 37 EU Reg. 2016/679, its Data Protection Officer ("DPO") who can be contacted by e-mail at: privacy@cellularline.com.

DATA PROCESSED AND PURPOSE OF PROCESSING

- **Data voluntarily provided by the user**

The optional, explicit and voluntary sending of electronic mail to the addresses indicated on this site involves the subsequent acquisition of the sender's address, which is necessary to respond to requests, as well as any other personal data included in the message.

- **Navigation Data**

The computer systems and software procedures used to operate this website acquire, during their normal operation, some personal data whose transmission is implicit in the use of Internet communication protocols. This information is not collected to be associated with identified interested parties, but by its very nature could, through processing and association with data held by third parties, allow users to be identified. This category of data includes the IP addresses or domain names of the computers used by users connecting to the site, the URI (Uniform Resource Identifier) notation addresses of the resources requested, the time of the request, the method used to submit the request to the server, the size of the file obtained in response, the numerical code indicating the status of the response given by the server (successful, error, etc.) and other parameters relating to the user's operating system and computer environment. These data are used for the sole purpose of providing anonymous statistical information on the use of the site and to check its correct functioning and are deleted immediately after processing. The data could be used to ascertain responsibility in case of hypothetical computer crimes against the site.

- **Cookie**

A cookie is a small piece of data (text file) that a Web site, when visited by a user, asks the browser to store on the user's device to remember his/her information, such as preferred language or login information. This site uses only technical cookie, which perform functions necessary for the proper, safe and efficient navigation of the site. These cookies are set by us (first-party cookie), without using tracking tools from other companies (third-party cookie).

FREEDOM TO PROVIDE DATA

Apart from what has been specified for navigation data, the user is free to provide the personal data indicated in the request forms or however indicated in contacts to solicit the sending of informative material or other communications. Failure to provide them may make it impossible to obtain what has been requested. For the sake of completeness, it should be remembered that in some cases (not the subject of the ordinary management of this site) the Authority may request news and information in accordance with applicable regulations, for the purpose of controlling the processing of personal data. In these cases, our response is mandatory.

PROCESSING METHODS

Personal data collected in any forms present are processed using mainly electronic means. The processing of your personal data is carried out by means of the operations indicated in Article 4, No. 2), GDPR - carried out with and without the aid of automated processes - namely: collection, recording, organization, structuring, updating, storage, adaptation or modification, extraction and analysis, consultation, use, communication by transmission, comparison, interconnection, limitation, deletion or destruction of data. All processing is carried out in accordance with the methods set out in Articles 6, 32 of the GDPR and through the adoption of appropriate security measures. Processing related to the web services is carried out at the headquarters of the Data Controller and at the duly designated external provider in charge of the processing. The Cloud provider guarantees the maintenance of the data in Europe.

COMMUNICATION

Your data are processed within the company by the categories of individuals authorized and appointed by the Data Controller. Your data may also be communicated to data processors, in particular to external providers, like IT companies and services suppliers who carry out routine and extraordinary maintenance of the website, consultants and freelancers, within the scope of the assigned tasks and within the constraints of the appointments received as Data Processors. Your data will not be disseminated.

DATA RETENTION

We would like to inform you that, in compliance with the principles of lawfulness, purpose limitation and data minimization, in accordance with Article 5 of the GDPR, the retention period of your personal data is established for a period of time not exceeding the achievement of the purposes for which they are collected and processed. Browsing data are aimed at monitoring the proper functioning of the site and are deleted immediately after processing. With reference to data voluntarily provided by the user through forms and forms, the retention time is that necessary to respond to user requests, and may be retained where necessary to attest to the fulfillment of the requests made.
